SpaceX NGSO Satellite System)	

JOINT STATEMENT OF SPACEX AND TELESAT

On April 17, 2020, Space Exploration Holdings, LLC (“SpaceX”) filed the above-captioned application for modification of its NGSO system. Likewise, on May 26, 2020, Telesat Canada (“Telesat”) filed its own application to modify its NGSO system. SpaceX and Telesat hereby file this joint statement concerning the applications.

SpaceX and Telesat are discussing these modifications as part of their good faith coordination and are hopeful these discussions will be resolved cooperatively. In the event these discussions are not fruitful, the parties reserve their rights to supplement this filing to address their respective applications.

To facilitate the parties' discussions, the parties have agreed they will not object on timeliness grounds to any such supplements.

Respectfully submitted,

SPACE EXPLORATION HOLDINGS, LLC

TELESAT CANADA
